Dear Dr. Hashim:

On behalf of the organizing committee, I would like to thank you very much for the cheque (US 2,000) that you recently sent us in support of our nicotine conference. These funds will be of great help to us. We will make sure, as requested, that the money is not used to reimburse participants from the industrial sector.

I hope that representatives from the Council will wish to attend the meeting, and to this purpose I have enclosed a First Announcement flyer.

Yours sincerely,

Paul B.S. Clarke
